

**Name:** Sobhy A. Soliman

**Title:** Professor of Analytical Chemistry

**Telephone:** 034862444 - 0101470503

**Email:** sobhi.soliman@pua.edu.eg

<b>Bachelor:</b>	Year: 1957 Faculty of Pharmacy - Alexandria University - Egypt
<b>Master:</b>	Year: 1961 Ohio State University - USA
<b>Ph.D.:</b>	Year: 1964 Ohio State University - USA
<b>Research Interest:</b>	Drug assay, clinical analysis, urinalysis and drug monitoring.
<b>Principal Publications:</b>	<p>The list of publications includes 75 articles, among which:</p> <ol style="list-style-type: none"><li>1. Soliman Sobhi A, Belal Saied and Bedair Mona: Non-aqueous titrimetric determination of sulphadimidine sodium and sulphadiazine sodium in injections. Anal Let (USA), 18 (B19), 1985.</li><li>2. Sobhi A Soliman, Mohamed H Abdel-Hay, Mansour I sulaiman and Osama S Tayeb: Stability of creatinine, urea and uric acid in urine stored under different conditions. Clin. Chim. Acta (USA) 160 (3), 1986.</li><li>3. Sobhi A Soliman, Mohamad H Abdel-Hay, Osma S Tayeb and Mansour I Sulaiman: Application of transformation algorithm and non-parametric calculation in determining the reference intervals of some urine constituents and characteristics. Clin Chim Acta (USA), 166 (9), 1987.</li></ol>
