

Name: Yehia Abdel Hamid Mohamed

Title: Professor of Pharmacognosy

Telephone: 035438185 - 0187585761

Email: yehia.abdelhamid@g.mail.com

yahia.mahmoud@pua.edu.eg

Bachelor:	Year: 1961 Faculty of Pharmacy - Alexandria University - Egypt
Master:	Year: 1965 Faculty of Pharmacy - Alexandria University - Egypt
Ph.D.:	Year: 1969 Faculty of Pharmacy - Alexandria University - Egypt
Research Interest:	Phytochemical studies of Medicinal plants concerning isolation, separation, characterization, estimation of isolated compounds, elucidation of chemical structure, preliminary biological studies. Natural products of interest: alkaloids, volatile oils and glycosides.
Principal Publications:	<ol style="list-style-type: none">1. B-Phenethylamine from cactus, <i>Phytochemistry</i>, 19, 719, 1980.2. Cactus alkaloids XXXIX, <i>Journal of Natural Products</i>, 42, 1989.3. Crystalline principle from Ricinus leaves, <i>Indian J Pharm</i>, 39, 175, 1975.4. Phytochemical study of Jatropha curcas <i>Plant Med</i>, 31, 274, 1976.5. Spectrophotometric determination of volatile oil, <i>Indian J Pharm</i>, 38, 117, 1974.
