Pharmacotherapeutics – PHR 583

Fall semester 2016 – 2017

The lectures will start next week according to the study timetable.

The lecture handout will be available in the copy center on Saturday or Sunday morning. When the webpage is opened, the lectures will be uploaded regularly.

There will be no tutorials next week. They will start on week 2. Students are not allowed to attend the tutorials in other groups and no transfers are allowed at all. Transfer students will be distributed among the groups according to the total capacity.
