Anouncement
Pharmacology II (PHR 481)

Fall 2016

The Pharmacology Laboratory sessions will start **Sunday 09/10/2016 and Monday 10/10/2016** according to the timetable.

Lectures and laboratory notes will be uploaded on the website on the pharmacology course page.

Starting from Sunday 09/10 and Monday 10/10, each student should bring the following:

- Lab notes.
- Lab coat.
- Lab tools: gloves and 2 insulin syringes and lab towel.
- Ruler, Pencil, Rubber and Calculator

It is very important that each student bring the above materials starting from next Week.

Each student must attend in his group according to the timetable assigned by the faculty.

Good Luck
