Assignment

PHR 171 Cell Biology

For All students, please find the Assignment distribution. Each five students are assigned a research topic, it should be a research of:

- 5-10 pages fully covering the required points
- Written in font 14 Times New Roman
- Must contain references (journal articles or books)

The Assignment due date will be week 12 during your lab session.

Each group should submit a printed copy of their assignment and a CD containing the soft copy.

Please note that, there can’t be any changes in the table of distribution. Each student must find which group and which topic he is assigned to and work according to this plan.

For any inquiry, please refer to TA.Dina Saleh, room D637

Good Luck
