

# Hanada Salem Islim

**Address:** 125 Al-shaeed Jalal eldsouki ,wabour elmayeh Alexandria

**Phone no.:**01110132456

**Date of birth:**30/10/1972

**Status:**..Married

**Nationality:**Lebanese- Egyptian

**Driving License:** valid

## Education:

1. September 2013: registered for PHD degree in Public Health and Public Health Sciences (Major Epidemiology), High Institute of Public Health, University of Alexandria. Studied **10 Basic Requirements** ( Epidemiology and Biostatistics , Environment and occupational Health, Health Administration and Behavioral Sciences, Research Methodology, Field study) and **18 Compulsory courses** (Epidemiologic research method I , Epidemiologic research method II, Epidemiologic Base for Health Planning , Epidemiology of Immunization, Epidemiology of Physical Activity , Critical Reading in Epidemiology, Surveillance and epidemiological Investigation) and **8 (6+2 extra) elective courses** (Pharmcoepidemiology, Molecular Epidemiology, Statistical methods of Epidemiology+ clinical epidemiology) + **4 credit** as listener (Epidemiology, prevention and control of Communicable diseases, Epidemiology of Zoonotic Diseases) . Finished all Subjects and now preparing for submitting her protocol.
2. April 2013: PHD degree in Diagnostic and Molecular Microbiology from Microbiology Department, Medical Research Institute, Alexandria University.  
**Thesis title:** “HCV Genotypes & Subgenotypes and HBV Precore & Core Mutations in Hepatocellular Carcinoma “.  
**Supervisor:** Prof. Dr Jamal Elsayaf, Prof Dr. Ola Abed Kader, Prof. Dr. Mohamed Abed Rahman Ahmed, and Dr. Mohamed M. Shamesya.

**Examiners:** Prof. Dr. Ola Abed Kader, Prof. Dr. Mohamed Abed Rahman Ahmed, Prof. Dr. Ghada Fahmi Helal and Dr. Sara Magdy.

**Studied subjects:** Advanced Medical Virology , Molecular Diagnostic Microbiology II , Advanced Medical Bacteriology , Microbiology Laboratory techniques II, Molecular Laboratory techniques II , Special topics in Microbiology II, Immunology , Pathology.

3. June 2009 : M.Sc. Degree in Pharmaceutical Sciences specializing in “Pharmaceutical Microbiology” from Microbiology and Immunology Department, Faculty of Pharmacy, Beirut Arab University.

**Thesis title:** “Evaluating the role of some virulence genes of *Helicobacter pylori* in Gastric disorders”.

**Supervisor:** Prof. Mohamed Anwar Fawzi, Dr. Salwa Mostafa Kamal Mohammed & Dr. Essam Mohamed Emad Eldin Abdelhamid

**Examiner:** Prof . Mohamed Anwar Fawazi, Prof. Abedlallah Lakani, Dr.Mohamed Halablab.

**Studied subjects:** Advanced Instrumental analysis I, Computer sciences and programming I, Physical Chemistry I , Advanced Instrumental analysis II, Computer sciences and programming II, Mathematics and General Biostatistics, Advanced General Microbiology , Antimicrobial Drugs and their evaluation, Genetics and genetic Engineering in Bacteria I, Virology I , Advanced Pharmaceutical Microbiology, Aseptic pharmacy , Genetics and genetic Engineering in Bacteria II, Virology II.

4. July 1995: Bachelor degree in Pharmacy, Faculty of pharmacy, Beirut Arab University, Lebanon.
5. June 1990: Graduated from Rawda High School (RHS)

## Languages:

- ❖ Arabic: mother Tongue
- ❖ English: Spoken and written

## Working Experience:

- ❖ February 2014 till now : Lecturer in Microbiology and Immunology Department, Faculty of Pharmacy and Drug Manufacturing , Pharos University (PUA) in Alexandria
- ❖ September 2003 till September 2009 : Teacher Assistant in pharmaceutical Microbiology Department, Faculty of pharmacy, Beirut Arab University (BAU) Lebanon
- ❖ September 1998 till 2006 : Supervisor in pharmaceutical company dealing with dermatologists and plastic surgeon products
- ❖ August 2007 till August 1998: Pharmacist in community pharmacy.

## Publications:

- ❖ El Sawaf G, Abed El Kader O, Abed Elrahman M, Islim H, Shamesya M. HCV Genotypes and Subgenotypes and HBV Precore and Core Mutations in Hepatocellular Carcinoma. Hepatogastroenterology, 2014.

## Technical Skills:

- ❖ Academic skills: competence in designing and presenting lectures and seminars, with interest in scientific research.
- ❖ Computer skills (**Basic computer ,SPSS 21 Program** )

### **Personal Skills:**

- ❖ Self learner
- ❖ Have good time management skills
- ❖ Have good communication and presentation skills
- ❖ Team work and leadership skills

### **Training:**

- Attended Continuing Professional Development (CPD) Program in Teaching and Learning
- Attending a training course in using SPSS program at High Institute of Public Health, Alexandria University (Sept--→ Dec 2016 )

### **Conferences, Symposia, Workshops:**

- ❖ Attended a workshop at High Institute of Public Health, Alexandria University “Research Methodology” 21 Oct 2016.
- ❖ Attended the 8<sup>th</sup> International Conference of High Institute of Public Health, Alexandria University at Hilton Green Plaza “ Think Globally and Act Locally” Public Health Action in Challenging times” 19-20 Oct 2016
- ❖ Attended a Workshop at PUA “ EndNote” Aug 23/2016
- ❖ Attended a workshop at Faculty of Pharmacy and Drug Manufacturing, PUA titled “Developing evaluation plan for University Programs” Dr. George Marquis . May 14,2016
- ❖ Faculty of Pharmacy Scientific Day, Faculty of Pharmacy 6th floor conference room,26th April 2016.
  
- ❖ Attended 1<sup>st</sup> Annual Conference of Laboratory Departments of Medical Research Institute “Critical Issues in Laboratory Medicine and Recent Advanced in Lab Research “Alexandria University. 7<sup>th</sup> -9<sup>th</sup> May 2016
  
- ❖ Attended a Workshop at Faculty of Science, Alexandria University “Environmental Applications of Nanotechnology” Feb 2-4 2016.

- ❖ Attended First PUA International Conference on Advances in Pharmaceutical Sciences Oct. 27-29<sup>th</sup> 2015. Pharos University in Alexandria, Egypt. ( Poster)
- ❖ Attended Scientific Writing Workshop 7<sup>th</sup> July 2015. Pharos University
- ❖ Attended “ proposal Writing workshop”, Dr Hannan Gazlan at PUA 5 May 2015.
- ❖ Attended Proteomics Workshop “ Basic introduction to proteomic: MALDI TOF principles / Application in the diagnostic Microbiology lab” 22-23 April 2015. Faculty of Medicine, Alexandria University .
- ❖ Attended 3<sup>rd</sup> FUE International conference of pharmaceutical Science, Held 9-11 Feb, 2015 at International –City Star, Cairo, Egypt.
- ❖ Attended 6hrs workshop titled “Leadership Skills” on Dec 12<sup>th</sup> 2014. Pharos University
- ❖ Attending courses at Education Development center (PUA, 2014)
- ❖ Attended 6<sup>th</sup> Congress of Alexandria Fever Hospital 30<sup>th</sup> -31<sup>st</sup> October 2014.
- ❖ Attended 6<sup>th</sup> International Conference and 18<sup>th</sup> Annual Conference “Multidisciplinary Approach in Cancer Management” Organized by Medical Research Institute, Alexandria University on 23<sup>rd</sup> -26<sup>th</sup> of September 2014
- ❖ Attending Courses in High Institute of public Health (Epidemiology and Applied statistic) (2014-2015)
- ❖ Attended a workshop titled “Molecular Phylogeny in infectious diseases” under organization of Italian National Institute of Health at Medical Research Institute Alexandria University (2012).

- ❖ Attended a workshop titled “Handout on tissue culture and staining” organized by Medical Research Institute, Alexandria University (2012)
- ❖ Attended a workshop titled “Molecular evolution” under supervision of Dr. Mahmoud Hefanwi, Medical Research Institute, Alexandria University (2011).
- ❖ The 16<sup>th</sup> Annual Conference of the Arab Society of Infectious Diseases and Antimicrobial ASIDA. Cairo/ April 27-30, 2010.
- ❖ Attending all Conferences organized by Order of Pharmacy in Beirut (1996-2009).
