

Project (2): Assessment of compatibility of Heritage Buildings to New Uses in Alexandria City Center

level: 5th YEAR ARCH. - 9TH SEMESTER

Course code and name: AE464- Conservation and Restoration

lecturer: Associate Prof. Dalia ElSorady

Participated students:

- 1- Ehab Ebrahim Ahmed
- 2- Mohamed Shabban Hassan
- 3- Nourhan Mostafa Taha
- 4- Caroline Sabry Habib
- 5- Samy Gaber Abdel Azeem

Project Summary:

This project assesses one of the listed heritage buildings in Alexandria given that a growing number of projects featuring innovative building reuse are currently emerging nationwide. Moreover, the project evaluates the indicators drawn from literature, namely architectural integrity, form, new building function, public perception and community participation with reference to the specific case of selected listed building.

Field Work/ Case Studies:

- Deaf School- Okalle Menferato
- Majestic Shopping Mall- Majestic Hotel
- National Bank of Egypt- Prince Tousson palace
- Alexandria Center for Artistic Creativity- Mohamed Ali Club
- Elahram Head office- Palazzina Aghion
