## Heba Ali Abou El Fadl Hazzah

**Phone no.:** +2 0100 5038347

**Email:** [hebahazzah@yahoo.com](mailto:hebahazzah@yahoo.com), [heba.hazzah@pua.edu.eg](mailto:heba.hazzah@pua.edu.eg)

**Date of birth:** 07<sup>th</sup> of January 1984.

**Nationality:** Egyptian.

### **Education:**

- ❖ March 2015: PhD in pharmaceutics ,Faculty of Pharmacy , Alexandria University
- ❖ May 2011: Masters in pharmaceutics ,Faculty of Pharmacy , Alexandria University
- ❖ June 2006: Bachelor in Pharmaceutical science , Faculty of Pharmacy , Alexandria University

### **Languages:**

- ❖ Arabic: Mother Tongue.
- ❖ English: Professional reading, writing and conversation.

### **Work Experience:**

- ❖ March 2015 (till date): Lecturer of Pharmaceutics, Faculty of Pharmacy and Drug Manufacturing , PUA
- ❖ May 2011- 2015 : Teacher assistant of Pharmaceutics, Faculty of Pharmacy and Drug Manufacturing, PUA
- ❖ September2007-2011: Demonstrators Pharmaceutics, Faculty of Pharmacy and Drug Manufacturing, PUA
- ❖ August 2006-2007: R&D Pharmacist at Pharo Pharma , Borg el Arab , Alexandria

### **Publications:**

- **Paper:** Gelucire-Based Nanoparticles for Curcumin Targeting to Oral Mucosa: Preparation, Characterization, and Antimicrobial Activity Assessment, Journal of Pharmaceutical Sciences, 2015.
- **Paper:** A new approach for treatment of precancerous lesions with curcumin solid-lipid nanoparticle-loaded gels: in vitro and clinical evaluation., Journal of Drug Delivery , 2015

[Type text]

[Type text]

- **Paper:** Lyophilized Sponges Loaded with Curcumin Solid Lipid Nanoparticles for Buccal Delivery: Development and Characterization., International Journal of Pharmaceutics, 2015
- **Paper:"** Preparation and characterization of controlled-release doxazosin mesylate pellets using a simple drug layering aquacoating technique, Journal of Pharmaceutical Investigation, August 2013, Volume 43, Issue 4, pp 333-342
- **Paper:** "Physical Characterization of Imported and Locally Made Placebo Pellets in Alexandria journal of pharmaceutical science, September 2010

### **Workshops:**

- 27th IBRO ISN school in Morocco, 28th October, 2011 Models for approaching Brain Health and Disease.
- 29th IBRO ISN school in South Africa, Limpopo 11th March, 2012 Evolution Of Vision
- IBRO-UCT African Advanced School on Epilepsy, Cape Town, South Africa, 2-16 December, 2015
