English for Engineers International Summer Programme

Improve your engineering English at the University of Leicester

The English for Engineers International Summer Programme is aimed at engineering students and engineering professionals of all disciplines wishing to improve their English for use in an engineering context.

This specially designed three week course combines English language classes with practical laboratory-based sessions in the Department of Engineering. It is an excellent way to enhance a CV and to prepare for future work or study abroad.

Ranked among the top 30 universities in the UK by the Complete University Guide 2018, the University of Leicester has many years of experience of delivering a range of short courses for international students. This Programme combines expertise from the university's Department of Engineering with the English Language Teaching Unit.

Other University of Leicester International Summer Programmes:

- Leicester International Summer School
- Leicester Discovery International Summer Programme
- English for Medics International Summer Programme

Accredited by the
 BRITISH COUNCIL
for the teaching
of English

Why join the English for Engineers International Summer Programme?

- Improve your English skills specifically for use in an engineering environment.
- Experience studying in a UK engineering school setting, including practical experiments in laboratories.
- Improve your general English and study skills in an academic and friendly environment, adding to your CV.
- Experience studying and living in a vibrant and student friendly city situated in the heart of the UK.
- Meet other students from around the world.

The course contains:

- A course welcome and induction programme.
- Daily English classes, focusing on both general and academic English, with particular emphasis on speaking and listening skills.
- A mixture of seminars, lectures and workshops focusing on engineering topics.
- Three half-day laboratory sessions in the Department of Engineering.
- A practical project and presentation.
- Day trips to places of interest.
- Evening social activities with students from other international summer programmes.

More about the course:

- Small class sizes – learn through interaction with your fellow classmates and tutor.
- Classes streamed by English ability (subject to numbers) – learn with students the same level as you.
- Qualified and friendly tutors with extensive experience.
- Dedicated support throughout.
- Closing ceremony with award of certificates and prizes.
- Transcripts and written feedback reports on participants' project and participation.
- Participants are registered students of the University and have access to University facilities, such as the award winning library, Students' Union and sports centres.

Key facts about the English for Engineers International Summer Programme

UNIVERSITY OF
LEICESTER

This document was published in October 2017. The University of Leicester endeavours to ensure that the content of its prospectus, programme specification, website content and all other materials are complete and accurate. On occasion it may be necessary to make some alterations to particular aspects of a course or module, and where these are minor, for example altering the lecture timetable or location, then we will ensure that you have as much notice as possible of the change to ensure that the disruption to your studies is minimised. However, in exceptional circumstances it may be necessary for the University to cancel or change a programme or part of the specification more substantially. For example, due to the unavailability of key teaching staff, changes or developments in knowledge or teaching methods, the way in which assessment is carried out, or where a course or part of it is over-subscribed to the extent that the quality of teaching would be affected to the detriment of students. In these circumstances, we will contact you as soon as possible and in any event will give you 25 days written notice before the relevant change is due to take place. Where this occurs, we will also and in consultation with you, offer you an alternative course or programme (as appropriate) or the opportunity to cancel your contract with the University and obtain a refund of any advance payments that you have made. Full Terms and Conditions and Senate Regulations governing our teaching programmes can be found here: www.le.ac.uk/offer-terms.
