

Hospital Pharmacy [PHR 415]

Tutorials of week 6 & 7

For week 6

Groups who were chosen for the topic of Purchasing, Inventory control, preparation of the annual report Information technology and computer use

- Will do a 10 minutes presentation to cover the points previously uploaded in the last tutorial .
- **Each member in the group should visit a hospital and then the group must decide which hospital (only one) will be selected for the presentation .**
- Whole group will represent only one presentation .
- Each student should prepare well the whole presentation as we will select randomly 2 or 3 presenters .

For week 7

Groups having the topic of Drug Distribution, Dispensing, Administration & Repackaging

- Will do a 10 minutes presentation to cover the points previously uploaded in the last tutorial .
- **The Data are collected from Internet searching not from hospital visit .**
- **Illustrate using Videos & images is a must .**
- Whole group represent only one presentation .
- Each student should prepare well the whole presentation as we will select randomly 2 or 3 presenters .
