

Pharos University in Alexandria
Faculty of Pharmacy and Drug Manufacturing
Department of Pharmacology & Therapeutics
Field Project
Course title: Pharmacology II (PHR481)
FALL 2018/2019

Groups with Ass. Prof Samer Zahran

You should be now preparing the final excel sheet containing statistical analysis. Those excel sheets will be collected by section leaders and group leaders who will finally handle them to **Dr. Wessam El-Hadidy** and **TA. Mennatullah El-Tarawy**.

You should start writing the thesis including introduction, aim, materials and methods, results and discussion. Each group should also prepare a simplified and informative brochure.

Thesis and brochure should be delivered to be assessed by staff members by the end of **week 12** .
