

PHR 582 Bioevaluation /fall 2017

Theoretical background exam will be on
11 and 12 December
At computer lab

<u>Day</u>	<u>Time</u>	<u>Sections</u>
<u>Tues</u> <u>11/12</u>	8.30-9.25	B3
	9.30-10.25	B2
	10.30-11.25	D1
	11.30-12.25	A2
	2.30-3.25	A1
	3.30-4.30	A3
<u>Wed</u> <u>12/12</u>	8.30-9.25	C3
	9.30-10.25	C2
	10.30-11.25	B1
	11.30-12.25	A4
	12.30-1.25	C1
	1.30-2.25	D2
	2.30-3.25	B4
	3.30-4.25	D3

You have to be informed that all the sections are included at the final theoretical background exam

1.4 point assay graphical

2.4 point assay mathematical

3. Atropine bioassay

4. Affinity constant KB

5. Primary screening

6. Finkleman preparation

7. Selected bioassay methods of some drugs (last section)

- All points mentioned at the lab notes or explained by the instructors during the practical sessions are included
- Please revise your group from the table illustrated above and **attend on time**
- **Each student should attend at his/her main group (no excuses)**

Good luck
