

INSTRUMENTAL ANALYSIS PC 307

ANNOUNCEMENT

Regarding **practical sections** throughout this semester, it is obligatory to bring your own following items with you in each practical session: Lab note, pencil, eraser, calculator, ruler and graph paper notebook. It is worth mentioning that these materials are not allowed to be exchanged with your colleagues during the sessions.

Concerning **tutorial sessions**, it is mandatory to resolve the tutorial in dedicated notebook before coming; otherwise the attendance of tutorial will not be counted.

Good luck
