Welcome note

Faculty of Pharmacy & Drug Manufacturing, Pharos University in Alexandria takes a great pride in welcoming all the participants of the 2nd International Conference on Multidisciplinary Approaches in Pharmaceutical Sciences which will be held in the Grand Hall at Pharos University in Alexandria, Egypt on the 11th and 12th of March, 2020.

The Faculty of Pharmacy & Drug Manufacturing aims to have a distinct position among national and international competitors in the field of research which is considered as one of its priorities in the upcoming era.

The goal of the conference is to bring together pharmaceutical groups of academics, researchers, community and industrial pharmacists and clinicians from all over the world to have an interchangeable break- through ideas related to the most recent advances in multidisciplinary pharmaceutical technologies.

The conference will be held in Alexandria, Egypt; "The Pearl of the Mediterranean", known for its special ambience, cultural, historical heritage and beauty.

Your active participation will add value to the success of this international conference.

Conference Themes

- Sustainable Development in Pharmacy Education and Practice.
- Biosimilar Medicines.
- Pharmacoeconomics: Cost analysis of clinical pharmacy interventions.
