	knowledge product for the priority sectors and by raising the local content	Goal 5. Expanding the activities of community services and environmental development
--	---	--

The Ministry higher education and research has formulated its strategy to cope with EGYPT 2030 Plan. It is available in Arabic in : [http://portal.mohe.gov.eg/ar-eg/Documents/Strategy\\_mohe.gov.eg.pdf](http://portal.mohe.gov.eg/ar-eg/Documents/Strategy_mohe.gov.eg.pdf)

This strategy is basically summarized in improving 5 main aspects. These are (Translated by author)

- Education
- Scientific research and Innovation
- Capacity building
- Community Services
- Health

Under the aspect of Scientific research and Innovation the following items are included (Translated by author):

1. Accessibility: education accessibility for all
2. Quality: Improvement of quality education system to be consistent and coping with international quality systems
3. Competitiveness: Improvement of outcomes of universities in a competitive manner (ranking)
4. Internationalization: Formulation of MOUs with international universities with the purpose of launching branching of these universities in Egypt, And establishment of joint research and educational programs.
5. Community services: Improvement of community services in the field of health (university hospitals), Medical cohorts, cooperation with NGOs, and awareness activities to alleviate illiteracy and combat corruption

The goals of Pharos university are compliant with all the above items as one of the private universities that is recognized and accredited by the Ministry of higher education and research in Egypt. Pharos University in Alexandria (PUA) is the only private university in Alexandria. Apart from the international research activities, PUA promotes youth development and foresees the empowerment of young generations to be entrepreneurs in a comprehensive manner. PUA also is concerned more with local issues and collaborate with local NGOs and Schools to contribute to achieving SDGs. There have been several activities regionally and globally that adds to the SDGs that is either lightly covered or not covered in the previous report of 2017.

This report summaries the activities carried out by Pharos university in 2018-19 to achieve the UN- SDGs. The activities take different forms; conferences for discussions, dialogues and exchange experience on SDG topics, community services by staff members form different departments, students community Projects, identification of problems and research, and internal reports from departments. Each SDG is dealt with separately in the following sections.
