

# Pharmaceutical analysis (PHR 326)

## Reopen course

**Lectures** will be held every week on sunday at 2:30 pm to 4:20 pm in C314. **Tutorial** will be held every week on Sunday from 10:30 am to 11:20 am in c 228. It's noteworthy to know that the tutorials will start from next week on Sunday (1/3/2020). Tutorial must be solved in dedicated notebook before tutorial sessions; otherwise the attendance of tutorial will not be counted. Regarding **Practical sessions** will be held every week in C122 on Wednesday at 2:30 pm to 4:20 pm. Kindly bring with you your lab coat, practical notes, ruler, calculator, graph papers, eraser and pencil (every section)
