

كلية الصيدلة و التصنيع الدوائى

Phytochemistry I (PG 203)
&
Phytochemistry (PHR 343)

Tutorial Announcement

To all students, I would like to inform you that every student must attend the group in which he or she is registered or is expected to register.

And do not forget to do the tutorial sheets (every time) that present in copy center and hand it over in the Tutorial session on Sunday & Thursday 24-27/2/2020.

And we remind you that there is a discussion every tutorial session (about tutorial sheets).

Best Wishes
