

Announcement
PHR 600 Graduation Project
Pharmacology Department

- All students who registered their names for participation in the graduation project in the pharmacology department **must contact their supervisors during this week** in order to confirm their registration in the group
- Students who are on **waiting list** must check if they are to be accepted in the group **urgently this week**.
- **Note:** If the supervisor completed his/her group already, the students on waiting list will be asked to look for another supervisor who still have vacancy.
