

Medical Microbiology (PM 202) & Microbiology I (PHR 251)

There will be a **google classroom** available for both **Medical microbiology and Microbiology I** courses soon. you will be provided with a **code** in order to gain access to the classroom

In order to be able to gain this access all students must have **PUA email** (xxxx@pua.edu.eg)

So, please get your PUA email from IT as soon as possible to be able to join the Microbiology classroom.
