

Midsenior Student Summer Training 2020

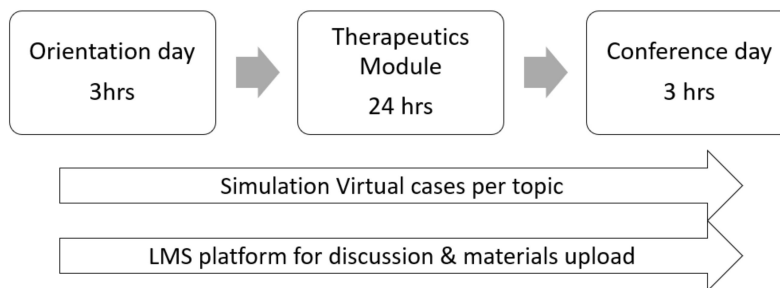

Dear midsenior students,

Due to the COVID-19 pandemic, there will be a modification of summer training in 2020. Community pharmacy training will be canceled. However, you have to register for a virtual hospital online training for 30 hours this summer. This is an obligatory summer training this year. A brief introduction of this virtual training program is presented below.

This program is provided by NAPHS (Novel Applied Pharmacy and HealthCare Services) in Egypt, incorporation with Colorado University in US. There will be 4 modules for you to choose. Each student should select 1 module. However you can select more than 1 module if you prefer.

- Oncology
- Cardiology
- Critical Care
- Nephrology

Each hospital module is 2 weeks in duration (30 hours online).

All students will be awarded certificates upon completion of the training. Certificates will have PUA, Colorado University and NAPHS logos. All students should register now online through the link.
