

Pharmacology 1 (PL 309, PHR 380)

Fall 2020-2021

Practical exam I

- Practical exam I will be held this week (week (7) 1 & 2/12/2020) out of 15 marks .
- Each student should bring his/her own tools, and bring the exam sheet with him/her (Page 3 of scheme section).
- Each student should bring 5 Egyptian insulin syringes (100 units) labeled as follows: (1- Unknown 2- Dil. Nicotine 3- Conc. nicotine 4- Acetylcholine 5- Atropine) to avoid contamination of syringes.
- Each student should attend in his/her group, no excuses are allowed.
- Please study the practical scheme as students are not allowed to bring any papers with them in the exam.
- Mobiles are not allowed at all in the exam, students must shut down their mobiles before entering the exam.
- Students who are not registered in the final list of the student affairs, will not be allowed to attend the practical exam.
- After this exam and midterm exams, we will continue our remaining practical sessions.

Good luck
