

**Pharmacology 1 (PL 309, PHR 380)**

**Fall 2020-2021**

For this week Practical (10&11&12-11-2020) till the practical exam, you **HAVE TO** bring the following tools otherwise you won't be able to attend the Lab.

**2 curved forceps** ملقاط جراحي, **sharp thin scissors** مقص

**plasticin** صلصال, **lab towel** فوطة صفراء,

**Latex disposable Gloves** جواناتي طبي

**, 6 Egyptian Insulin Syringes 100 Units** سرنجات انسولين

**مصري 100 وحدة**

From this week practical till the end of semester, the **explanation of the practical** will be available **online** as a video and you have to **listen it before attending** the practical because **NO explanation** will be repeated during the section and you will start your practical work immediately.

Students will not be excused to leave the lab to bring any missed tools, otherwise they will be considered absent.

Each student should attend **in his/her own Group** according to the timetable announced, otherwise you will be considered absent.

For **Transfer Students** (PHR 380), you **HAVE TO** fix your name on the list before attending this week practical (10&11&12-11-2020) so you **HAVE TO** come to T.A.

Mohamed Amin (C524): Monday (9-11-2020) 1:30 -

3:30 pm & Tuesday (10-11-2020) from 12:30 -2:30 pm

Good luck
