

# **Midsenior Summer Training Community Pharmacy 2021**

# Regulations

## Midsenior student summer training 2021

- ❑ Community Pharmacy training with a booklet:  
(150 hours)

### (A) Steps

- ▶ Students should first find a pharmacy for training by yourself
- ▶ and fill the template of 'pharmacy training schedule form' to complete the **150-hour** training schedule.
- ▶ and then give it as a **hard** and **soft** copy to your Summer training **supervisor**.
- ▶ There is no deadline to present the schedule. The schedule is flexible according to your summer activities. However, **you have to present it to your supervisor before starting the training, NOT AFTER**. The training hours will count only after your supervisor receives your schedule.

# Regulations

## (A) Pharmacy Training Schedule Form

- ▶ Pharmacy name, address and **Landline Number** must be present
- ▶ Students should **stick to** summer training duration from July to the **end of September**)
- ▶ In case of **any changes on the sent form**, student should notify the supervisor of the changes.

# Regulations

## **(B) Booklet:**

- ▶ Students should buy training booklets at the **PUA copy center only** before the start of training.
- ▶ All booklets are **stamped with the faculty summer** training stamp.
- ▶ **No photocopying** of the booklet is allowed  
(You **can not buy it from shops outside the campus.**)
- ▶ Booklet should be available with the students every day at the pharmacy to continue the required data during the training.
- ▶ After completion of the booklet, you should ask the pharmacist to sign and provide the pharmacy stamp
- ▶ The data on the booklet filled by the student will be **evaluated** by the supervisor at the end of training.

# Regulations

## **(C) Assignment:**

- ▶ Assignments will be announced on Blackboard.
- ▶ Student should print the assignment and interview the supervising pharmacist to answer all questions while in the pharmacy. Then student should fill the Google form at home. You should print the submission confirmation email.
- ▶ Student should deliver both hard copy of the assignment and the confirmation email to the supervisor on the evaluation day.

# Regulations

## **(D) Phone calls & checking attendance:**

- ▶ Required **2 random video calls** for each student according to the student schedule filled on sheet.
- ▶ **The video calls:**
  - ▶ The video call will be through a **meeting** using **Blackboard Collaborate**.
  - ▶ Student should have a mobile with internet connection everyday in the training pharmacy to expect the supervisor's random calls.
  - ▶ When you receive your supervisor's call, enter the Blackboard with the camera on. You should **show your presence** at the pharmacy.
  - ▶ Your supervisor will ask you **questions which may cover all topics mentioned in the booklet**.
  - ▶ **These 2 video calls will be recorded by your supervisor as one of the evaluation items.**

# Regulations

## **(E) Evaluation Day**

- ▶ One week before starting the fall semester, all pharmacy trainings should be finalized.
- ▶ An evaluation day will be scheduled for both supervisor and student to meet at the campus to perform a face-to-face oral evaluation regarding
  - (a) your scientific knowledge gained from the training, and
  - (b) the completion of the booklet.
- ▶ All students should also perform an **online post-test** on the computers in the lab.

# Regulations

## **(F) Mark distribution:**

**Total marks will be out of 100 marks:**

- |                       |    |
