

SUMMER TRAINING 2021

Please be notified that the summer training meeting is cancelled today (July 14) due to the technical problem to add all students in the meeting.

- **For Junior Students:**

- **For in-house pharmacy training,** we will upload a short video to guide you the in-house training. You should prepare your ppt presentation according to the announced schedule and cases. The in-house pharmacy training is scheduled after Eid holidays from July 25-28.
- **For pharmacy training,** the meeting will be postponed after Blackboard opens to all students. If you want to start the pharmacy training now, you should buy a **booklet** from PUA copy center and download the announced '**pharmacy training schedule form**'. Fill **160 hours** of your training schedule and send it to your supervisor. We will have a meeting to discuss the other requirements once Blackboard opens to all.

- **For Midsenior Students:**

- **For hospital training,** you should go to Treasury Office at Faculty of Engineering to take the voucher and pay in CIB on campus before July 18.
- **For pharmacy training,** the meeting will be postponed after Blackboard opens to all students. If you want to start the pharmacy training now, you should buy a **booklet** from PUA copy center and download the announced '**pharmacy training schedule form**'. Fill **150 hours** of your training schedule and send it to your supervisor. We will have a meeting to discuss the other requirements once Blackboard opens to all.
