

Summer Training 2022 – Student Instruction

(1) For Junior students

- a) Junior students (PharmD and PharmD Clinical) are required to do 100 hours community pharmacy training after finishing 3rd year study according to the By-Law. All junior students should complete 100 hours community pharmacy training this summer so you will have no training requirement next year. The last year (6th year) will be a 9-month internship rotation.
- b) All students will be on Blackboard for summer training. Announcement and uploading/downloading will be on Bb after it's opened to you.
- c) You should download the pharmacy schedule form on Bb, fill it and send it to your supervisor for approval before starting training.
- d) You can start pharmacy training after Eid holidays after your supervisor's approval of the training timetable.
- e) An orientation zoom meeting is scheduled on **July 6 at 11:00 am.**

f) All midsenior students are required to do 60-hr hospital training. The attendance and assignment case studies are required by the hospital preceptors. You should wear white coat in the hospital and follow the rules set by the hospital. Each hospital is assigned a faculty supervisor. You should contact the faculty supervisor if any problem occurs.

g) Hospital training is evaluated by the preceptor and faculty supervisor. Hospital preceptor will evaluate student attendance, assignment and case presentation or other requirements set by the hospital. Each 10 students in the same hospital will form a group and do a power point presentation on week zero, fall semester which will be evaluated by Faculty supervisors. The presentation for each group is 15 min. The contents of ppt should include the following:

(1) introduce the training hospital

(2) a case presentation and the intervention done by the clinical pharmacists and your team. Show the resources, calculation, steps and other materials to reach the case recommendation.

(3) show some photos of you training in the hospital.

(3) For both Junior and Midsenior students (Community Pharmacy Training)

- Junior and Midsenior students should check your supervisor's name and contact information from attached lists. All students will be assigned a faculty supervisor to guide you.
- Student should find a training pharmacy by yourself and present the pharmacy information and training schedule to your supervisor before starting the community pharmacy training.
- Junior students should fill 100 hours on the training schedule.

Midsenior students should fill 120 hours on the training schedule.

The training schedule should be approved by your supervisor before you can start pharmacy training.

- All students should get a training booklet from PUA copy center. The booklet should have an official summer training stamp on it. You cannot buy it from stores outside campus. You should bring the booklet to the pharmacy during the training and ask the pharmacist to help you in filling the question sheets in the booklet.
- All students should prepare internet connection on your mobile phones during the training. Your supervisor will randomly video call you in the pharmacy (at least 2 times) according to the timetable presented to her/him. You should turn the phone camera on, showing your presence in the pharmacy. You should also answer all the questions asked by the supervisor.
- All students should attend an official evaluation by your supervisor on the evaluation day that will be scheduled on week zero of fall semester. You should bring your filled booklet and be ready for oral evaluation and computer post training test.
