Strong Institutions

SDG 16 Peace, Justice, and Strong Institutions

Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable, and inclusive institutions at all levels

Pharos University has records contributing to SDG16 in several aspects including conferences and seminars. Below is a summary of Pharos University achievements in SDG 16.

Peace, Justice, and Strong Institutions Seminars, Conferences and Workshops

Training workshops to help Egyptian researchers write project proposals, publish their research findings in peer-reviewed journals, and enhance their research skills

Faculty members and their collaborators, the Egyptian Knowledge Bank, in collaboration with the Science, Technology and Innovation Finance Authority (STDF) and SpringerNature Research Academies, announces the opening of training workshops to help Egyptian researchers write project proposals, publish their research findings in peer-reviewed journals, and enhance their research skills.

The program consists of 63 interactive remote workshops divided into three main workshops:

- 1- "Writing a paper", through which professional writing strategies will be discussed to clearly communicate the relevance and relevance of the study from the researcher to the reader through the paper presented.
- 2- "Research methodology" will address the steps to be taken in planning a new study to ensure that it is vigorously conducted to generate valid and documented results.

3- "Writing a project proposal" will help researchers to learn about modern funding methods and write an effective proposal to request the grant for successful research funding.

Researchers passing the post-workshop evaluation will receive degrees from the Nature Research Academies.

The Libraries Committee at the Faculty of Tourism and Hotel Management organized a workshop on “Registering and Searching the Egyptian Knowledge Bank Website”. This course introduced the students to the site’s features, taught them how to register and create accounts on it. In addition, they were taught how to access the global databases and how to list the references.
