

About The Centre

Pharos University English Language Centre is committed to providing continuous professional development training for its staff and all English language teachers in the community. In 2015, PUA became the only authorized centre in Alexandria to deliver the Cambridge CELTA; and since then PUA English Language Centre has managed to build a team of certified trainers. In 2020, PUA English Language Centre launched its Teacher Training Unit to promote more professional development to teachers in Egypt and around the globe.

English Teaching

1-CELTA

Pharos University in Alexandria is a Cambridge authorized centre EG211. CELTA is an introductory Teaching course from Cambridge, a qualification for teaching English as a foreign language. CELTA course for those who have little or no previous English language teaching experience. It may also be suitable for teachers with some experience but little previous training, or those looking for your first teaching job.

3-Free Online Webinars

PUA Teacher Training Centre started a PD initiation in 2022. Speakers from around the globe are invited to give webinars in their areas of expertise. They are all professional ELT practitioners who volunteer to pass on their knowledge. These webinars are free of charge and designed for all English language teachers. Participants get exposed to new and applicable ideas, and they receive a certificate of attendance for each webinar they attend.

2-Teacher Training Workshops

Every month, PUA English Language centre, Teacher Training Unit invites language and Math teachers from around Egypt to attend teacher training sessions. Cambridge tutors, and PUA CELTA certified teachers work together hand in hand to deliver sessions that focus on practical classroom ideas.

4- Short Courses

PUA Teacher Training Centre offers short courses with different topics for all English teachers working in the field of English Language education.

Courses Such as:

- Teaching Grammar
- Teaching Writing
- Language Awareness
- TKT (Teaching Knowledge Test)
- CELTA Preparation

All courses are delivered F2F and/or online over 5-day period.
