

## Publications Template

#	Research Title	Field	Abstract	Year of Publication Publishing	Publishing Link “URL”
1	Relationship between Flatfoot and Q Angle in Male Secondary School Students. International Journal of Physiotherapy and Research.	Basic Sciences		2017	
2	Effectiveness of proprioceptive training on dynamic postural balance during pregnancy: A randomized controlled trial. Physiotherapy Practice and Research	Basic Sciences		2019	
3	Physiotherapeutic Protocol and ZnO Nanoparticles: A Combined Novel Treatment Program against Bacterial Pyomyositis. Biology	Basic Sciences		2022	
4	Gender difference in Achilles tendon length by resting angle measurement in correlation to body parameters between Egyptian physical therapy students. Medical Science,	Basic Sciences		2022	
5	Effect of Weight Gain on Balance Control in Post-Menopausal Women. Egyptian Journal of Physical Therapy	Basic Sciences		2022	
6	The Effect of Obesity on the Magnitude of Quadriceps Angle and Angle of Foot Progression in Adult Females. World Journal of Sport Sciences	Basic Sciences		2020	
7	Electrophysiological response of Neurodynamic Mobilization and Cupping Therapy in Patients with Discogenic Sciatica. Fizjoterapiapolska,	Basic Sciences		2020	
8	Assessment of Balance in Pregnant Women Suffering from Mechanical Low Back Pain. World Journal of Medical Sciences,	Basic Sciences		2019	

9	Impact of Hand-Arm Bimanual Intensive Therapy versus Shock Wave Therapy on Hand Function and Grip Strength in Children with Hemiplegic Cerebral Palsy. Polish Journal of Physiotherapy	Basic Sciences		2019	
10	Kinematic Assessment of Distance and Time Parameters for Children with Cerebral Palsy during the Gait Cycle. Journal of Clinical & Analytical Medicine	Basic Sciences		2019	
11	The Long-Term Effect of Smartphone Overuse on Cervical Posture and Range of Motion in Asymptomatic Sedentary Adults. Journal of Advanced Pharmacy Education & Research	Basic Sciences		2019	
12	Postural Equilibrium and Mechanical Exercise Program in Secondary School Students with Type I Diabetes in Tanta City. Asian Journal of Science and Technology	Basic Sciences		2018	
13	Assessment of Foot Biomechanics through Measuring Plantar Pressure during the Last Trimester of Pregnancy. Journal of Advances in Medicine and Medical Research,	Basic Sciences		2018	
14	The Effect of Weight of Backpack on Postural Control among Prep School Students in Tanta City. International Journal of Engineering Technologies and Management Research,	Basic Sciences		2018	
15	Effect of Obesity on Balance Control in Adolescent Females. Journal of Advances in Medicine and Medical Research,	Basic Sciences		2017	
16	Shockwave Therapy Versus Interferential Therapy in the Management of Osgood-Schlatter Disease. European Journal of Biomedical and Pharmaceutical Sciences,	Basic Sciences		2015	
17	Electrophysiological Evaluation of Different Conservative Treatment Protocols in Carpal Tunnel Syndrome. European Journal of Biomedical and Pharmaceutical Sciences,	Basic Sciences		2015	
18	Bicycle Ergometer versus Treadmill on Physical Characteristics in Patients with Obesity. International Journal of Current Research and Academic Review,	Basic Sciences		2015	

19	Extracorporeal Shock Wave Therapy Versus Ultrasonic Therapy on Functional Abilities in Children with Tennis Elbow: A Randomized Controlled Trial. Medical Journal Cairo University,	Basic Sciences		2014	
20	Integrated Effect of Treadmill Training Combined with Dynamic Ankle Foot Orthosis on Balance in Children with Hemiplegic Cerebral Palsy. The Egyptian Journal of Medical Human Genetics,	Basic Sciences		2014	
21	Shock Wave Therapy Versus Interferential Therapy in the Management of Osgood-Schlatter Disease with Knee Brace. International Journal of Advanced Research in Biological Science,	Basic Sciences		2014	
22	Kinematic Assessment of Distance and Time Parameters for Children with Cerebral Palsy during the Gait Cycle. The Annals of Clinical & Analytical Medicine,	Basic Sciences		2014
