1	عقد السياحة وخصائصه	القانون الدولي الخاص	This research "Tourism Contract & its Characteristics" is about the tourism contract, a modern contract that is characterized by specificity and complexity due to its multi-party nature and the complexity of the obligations between these parties. The research examines the legal definition of the tourism contract and its most important characteristics, in accordance with Egyptian and French laws. The research also highlights the importance of this contract for national and international tourism and provides a set of recommendations for improving the organization of the tourism contract and facilitating tourism transactions.	2025	كود المقال LSEJ-2408-1130
2	التكييف القانوني لعقد السياحة	القانون الدولي الخاص	The tourism industry is one of the most developed economic sectors in the world and plays a vital role in strengthening the national economy, creating jobs and increasing national income. As international tourism activity has increased, it has become necessary to understand the contracts that govern relations between tourism service providers and tourists. This study is aimed at analyzing the legal nature of the tourism contract, which is a complex and important contract in the tourism sector. A tourism contract is a complex contract that contains a range of obligations and rights between different parties, such as tourism service providers and customers. The study is based on an analysis of national and international legislation on tourism contracts, with a focus on the legal nature of the tourism contract.	2025	كود المقال LSEJ-2408-1131

		<p>The study includes a review of the basic concepts of the tourism contract, such as an agency contract between the Travel Agency and the tourist, a transport contract between the Travel Agency and the tourist, finally, a contract for the sale of tourism services between Travel Agency and the tourist .Through this study, a set of recommendations is made to improve the legal framework for tourism contracts in Egypt, in line with global developments in the tourism industry and to define the obligations of different parties in all types of contracts included in the tourism contract.</p>
